Product Range

A large, modern grey sofa with four matching square pillows. The sofa has a clean, minimalist design with wide armrests and a low back. It is positioned in the center of the room, facing towards the right.

A large, leafy indoor plant with dense green foliage, possibly a Ficus or similar species. It is positioned behind the sofa, adding a natural element to the decor.

A large, leafy indoor plant with broad, heart-shaped leaves, likely a Ficus lyrata (Fiddle Leaf Fig). It is positioned on the right side of the room, near a window with sheer white curtains.

A large, woven pendant light fixture made of natural materials, possibly rattan or bamboo. It has a tiered, cylindrical shape and is suspended from the ceiling.

A round, wicker coffee table with a woven metal frame. It has a simple, industrial design and is positioned in front of the sofa.

A round, textured ottoman or pouf in a light beige color. It has a woven or knitted texture and is positioned in the bottom left corner of the frame.

A dark wood cabinet or hutch with glass doors on the upper section. It contains various decorative items, including a white ceramic vase with a landscape scene and some glassware.

A framed piece of art or a quote on the wall. The text is written in a cursive font and reads: "Please, I would like to have a family home to love. I love it." It is positioned on the wall behind the sofa.

A small, modern table lamp with a white, textured shade and a dark base. It is positioned on a side table behind the sofa.

A small, modern table lamp with a white, textured shade and a dark base. It is positioned on a side table behind the sofa, opposite the other lamp.

A large, patterned rug with a mix of beige, grey, and dark brown tones. It has a complex, abstract design and is positioned under the sofa and coffee table.

Social Responsibility

10 Years Research

Lead in Circularity

Lead in Comfort

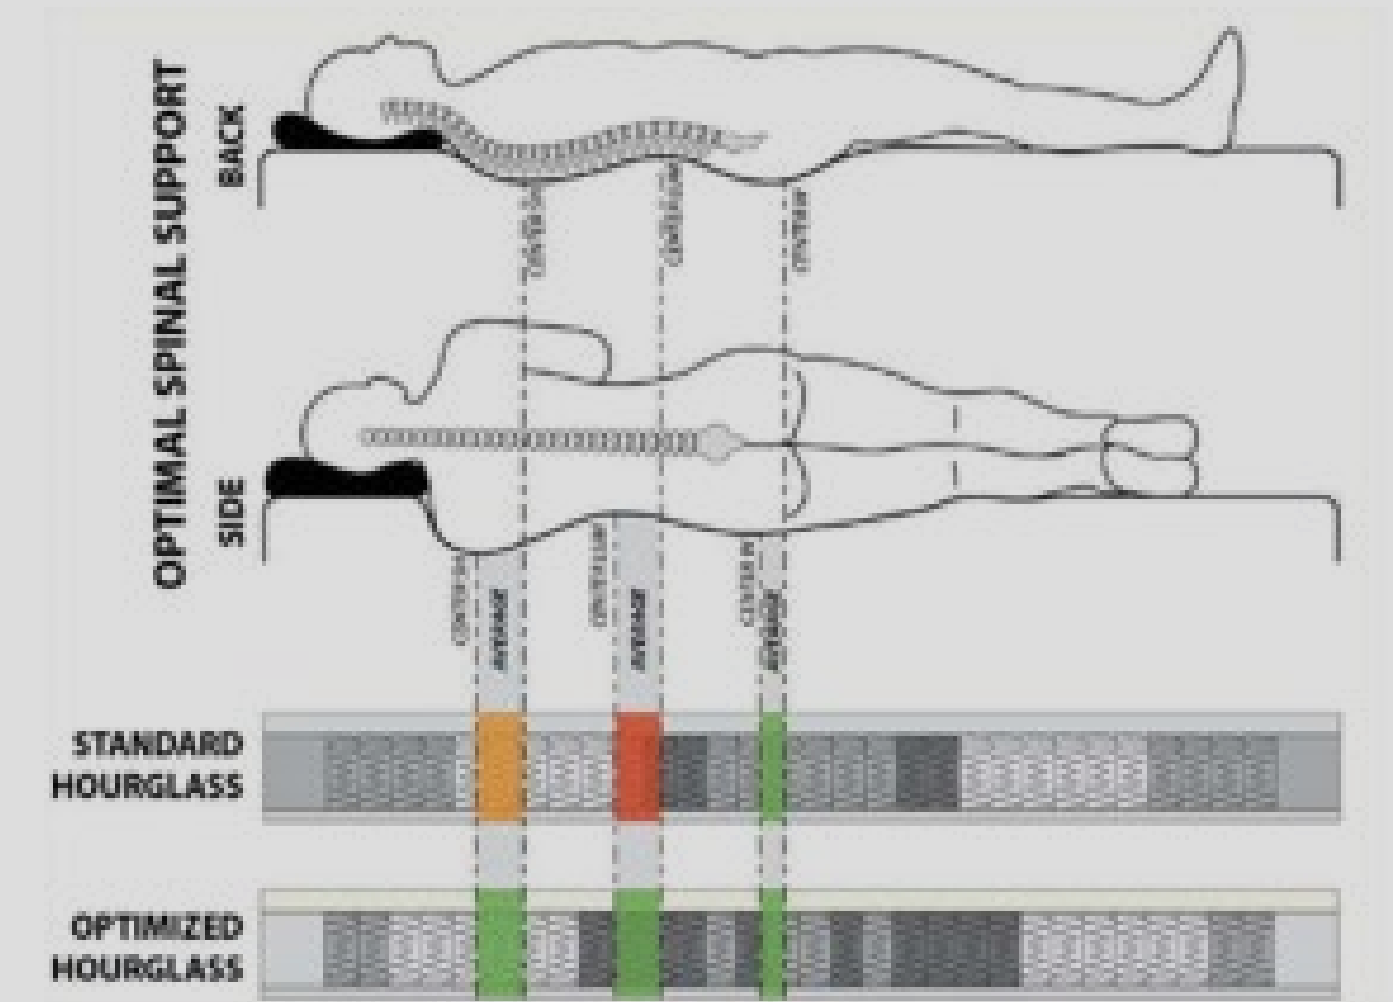

Circular design thinking is critical in developing today's bedding products

Improved **Thermo Regulation**

Geltext Next

Improved **Zoning**

Eco Design Guidelines

- **Reduce** Materials
- Use **recyclable** materials

- **Modular / reusable** structures
- Ease of **assembly**

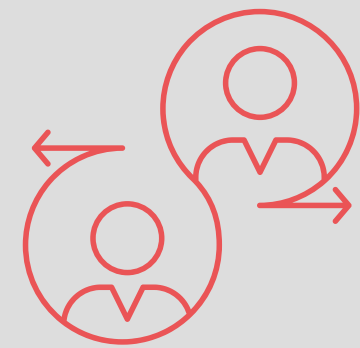

- **Optimized** package
- **Anticipate** changes

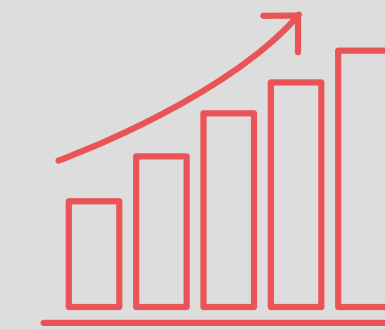

Strategy

Main strategic axes 2022 – 2025

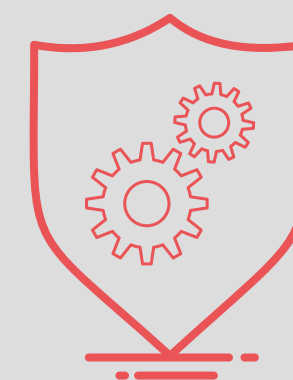

Industrial activity

Continue developing long-term partnerships with our stakeholders

Focus on a steady growth in home comfort business
(both turnover and profitability)

Strengthen company resilience and business sustainability

Clear leadership in sofa and mattress production in Europe
and a recognised global player in these 2 core businesses

Commit to a less impactful footprint on the planet

You are invited
to be a part of our vision!
